

## Grand Peak Academy Preschool

Grand Peak Academy's Preschool curriculum includes Kindergarten Saxon Math and Core Knowledge Language Art that align with the Preschool Colorado State Standards.

### **Skills taught within our Saxon Math curriculum include:**

- Counting
- Number recognition and writing
- Geometric shapes
- Time•Graphing
- Money
- Addition & Subtraction
- Patterns

### **Skills taught within our Language Arts curriculum include:**

- Letter recognition•Writing
- Phonics
- Literacy
- Vocabulary
- Social Studies

### **In addition to the academics students participate in:**

- Art
- Music
- PE
- STEM
- Self Help skills
- Social skills

Assessments used by the teachers are Teaching Strategies Gold Objectives for Development & Learning, a Saxon Math assessment after every nine(9) lessons and a Language Arts assessment after every domain. Parent/Teacher conferences are offered twice a year.

At Grand Peak Academy we encourage each student in our preschool program to explore and embrace their imagination and creativity.
