GRAND PEAK ACADEMEY STUDENT CONSTITUTION

As a student at Grand Peak Academy, I adopt this Student Constitution to affirm my oath of Justice and Integrity within a society of high moral standing and to promote a successful learning environment for all.

ARTICLE I. I will display responsible and positive behavior, as it is the responsibility of every student. If I am responsible for my own actions, than others around me can learn.

ARTICLE II. I will display generosity and forgiveness to those around me and will not use offensive or hurtful language.

ARTICLE III. I will work hard to demonstrate self-discipline, independence and learn to the best of my ability.

ARTICLE IV. I will attend school on a regular basis and take responsibility for promptly making up any missed assignments from absences.

ARTICLE V. I will be courteous and respectful to others by listening to and following directions.

ARTICLE VI. I will appreciate and follow school, classroom, playground and lunchroom rules.

Parent Partner and Choose Grand Peak Academy

Below are some guidelines that help Grand Peak Academy (GPA) maintain a positive culture. Please initial and then sign at the bottom.

- I have read the Parent Handbook and agree to its policies and procedures.
- I understand and support the school mission and vision.
- As a family, we will contribute to a respectful transparent school culture by going directly to the person who can help answer my question or concern.
- I will help our community model the core virtues by being kind and courteous in all interactions with school staff, students, and fellow parents, including during pick-up and drop-off.
- I agree not to initiate or participate in class Facebook pages that are not school sanctioned.
- I will support the teachers with high expectations for my child's academic progress by providing a quiet, structured time for homework and assisting my child (as needed) with access to their teacher's calendars for assignments.
- I will support our "Restorative Practices" and "Love and Logic" discipline policy which focuses on problems and may involve natural consequences.
- I understand that to develop academically, children must build perseverance and courage. I realize there may be times that we ask students to wrestle with difficult problems that may cause "discomfort".
- I will regularly get my child to school so that they are promptly in their seats and ready to learn by 8:00am.
- I will pick up my child promptly at dismissal. I realize that my child needs to wait with a Grand Peak Academy staff member while on campus.
- I will support the dress code and will assist my child in being in compliance.
- I agree to volunteer twenty (20) hours per family per school year or buy out my hours at \$10.00/hour.

By initialing the lines about and signing below, you agree to support Grand Peak Academy in upholding all procedures and policies.

SCHOOL OVERVIEW:

GRAND PEAK ACADEMY MISSION STATEMENT

The mission of the Grand Peak Academy is to develop students of great character, who are culturally aware, accepting of diversity, appreciators of history, arts, mathematics, and sciences, and are prepared to meet the challenges of the world today. We value parental partnership through direct involvement in classroom and school activities and community stewardship through our support of local charities and hosting of community events.

GRAND PEAK ACADEMY VISION AND GOALS

We provide cultural immersion through coherent, cumulative, knowledge-based curriculum by exposing our students to the diversity of the greater world around them. Our engaging athletics program teaches students how to overcome adversity through teamwork, individual introspection of effort, and develops qualities of leadership and sportsmanship. Our music and arts program offers students the possibilities to explore their imagination and celebrate the value of creativity and expression. We expect and encourage our parents to volunteer and engage in all areas of their child's educational career.

The goals for Grand peak Academy align with the state of Colorado's academic and non-academic priorities, as well as our Mission and Vision.

ADMINSTRATIVE GOALS

Grand peak Academy believes that quality teachers and staff are an essential ingredient for high student performance. The school's goal is to employ staff who are mature, academically prepared, and professionally skilled, who are ethical role models, love children, and who can build positive relationships within the school community. Role modeling, as well as values imparted as a result of classroom interaction, has a significant effect on students. A well-defined structure of discipline is imperative to the development of children. Discipline, tempered with love and empathy, produces freedom, responsibility and encourages virtuous character. Children learn by the way we live, not just by what we say. Walking our talk is critical to the mission of the school.

PLAN FOR SUCCESS

Grand peak Academy's decision making is guided by the Plan for Success. This plan defines who we are and differentiates us from other charter schools. It shapes the culture of the school and forms the framework to shape school goals and priorities. This plan assures the continued operation of a quality school that serves to partner with parents in educating their children. The Plan for Success is:

- Academic Success
- Economic Sustainability
- Character Growth

CLOSED CAMPUS: GPA has a closed campus policy in which students must stay on the campus from the time they arrive until dismissal or until they are signed out by a parent/guardian. Students who arrive after the start of school must be signed in by their parent/guardian and receive a tardy slip prior to attending class. Students who leave during the school day due to appointment or illness must also be signed out in the front office by the parent/guardian. If you need to pick up your student for an appointment during school hours, you may call the office prior to your arrival. GPA will not release any children during the final 15 minutes of the school day as students are receiving final instruction from their teachers and packing up for end-of-day procedures.

SCHOOL/OFFICE HOURS and SCHOOL CALENDAR: School hours and calendar can be found at www.grandpeakacademy.org.

STUDENT MORNING DROP-OFF TIME: Students should not be dropped any earlier than 15 minutes before school start since supervision is not provided prior to that time. Students may enter the building when it opens, 15 minutes prior to the school day, and need to be in their seats by the starting bell to avoid being tardy. Late arrivals interrupt the learning environment. Consistent late arrivals may lead to a conference between the Parent, Student and Administration.

STUDENT AFTERNOON PICK-UP TIME Students are to be picked up promptly upon dismissal. Until teachers become familiar with parents/vehicles, parents should carry some type of identification. Parents who wish to park and walk to pick up the student in the designated area must also have proper identification that shows they are allowed to pick up that child. Before a student can be released to walk home at the end of the school day, the parent/guardian must complete a “Walker Release” form.

Parents with a Middle School Student should plan to arrive no earlier than three minutes after the middle school day ends.

CARPOOL

When in carpool, parents are asked to abide by the following rules to ensure the safety of our students and contribute to the consistent flow of traffic:

- Follow directions by staff members when in the carpool lanes
- Please refrain from cell phone use
- Students should exit and enter cars on the passenger side only
- Parents should not exit their vehicle while in carpool lanes
- Pull forward as directed

BICYCLES & OTHER FORMS OF STUDENT TRANSPORTATION: Students may ride bicycles/scooters to school as long as they are proficient enough to be safe. Students must walk the bike/scooter once on school grounds, and they must be parked in the racks provided. Bikes/scooters are not to be in the building or the parking lot at any time during school hours. Once bikes/scooters are in the racks, they are not to be removed until the student is ready to go home. Each student is responsible for locking his/her bike or scooter. For safety and liability reasons, in-line/roller skates, shoe skates and skateboards are not allowed on campus at any time, including when school is not in session.

WALKERS: Students are categorized as a “walker” when a “Walker Release” form has been completed and approved by Administration. “Walkers” are students who ride the D49 bus or for families living within walking distance. Please submit the form to the front office. Students without approved walker release forms are treated as a carpool student. Walker release forms can be found in the front office.

DAYCARE BUS RIDERS: Please provide the front office with the following information if you have chosen a day care provider to pick up your student: 1) student’s name, 2) day care provider, 3) days of the week to ride the day care bus, and 4) status if not riding the day care bus (the presumption is “carpool”). During the course of the year, you must contact the front office AND the day care provider if you need to make a change.

PRESCHOOL SIBLINGS: For families with a preschool student AND an older GPA students, the older student will be dismissed to the gym, will pick up all other siblings, and wait for the parent in the gym. Parents should arrive after 3:20 pm, park, pick up your preschool student first, and then pick up the older student(s). Please communicate with the front office the following: older student’s name and teacher, preschool student’s name, and days of the week the older students should meet in the gym.

INDOOR RELEASE: Indoor release means that students stay in their homeroom and the parent goes to each homeroom to pick up each student. Indoor release is communicated via email, Facebook, and mobile app after parking, parents may enter the building at 3:20pm (3:30pm for middle school students) and make their way to the student’s classroom, present an ID (required), and pick up the student. Lightning, heavy rain, and wind chills are the primary factors that guide the decision to call an indoor release. Since weather conditions change quickly, an indoor release will be called as soon as conditions permit. An indoor release does take more time than a regular release.

Walkers with an Indoor Release: With an indoor release, “walkers” are released as usual unless the parent calls the school to make a change; or in the case of extreme inclement weather, “walkers” will be held until we deem the weather is safe to release.

Day Care Bus Riders with an Indoor Release: Same process as outlined above under Day Care Bus Riders.

SNOW DAYS OR DELAYED START: Grand Peak Academy follows the School District 49 decision to close or delay school due to inclement weather. When the school is closed or delayed, several radio stations and television stations are contacted to broadcast the fact, listed as “D-49 closed” or “D-49 2-hour delay” in the television scroll. School closures and delays are also communicated on the school’s Facebook page (be sure to “like” GPA to receive the notices). In most cases, the decision to close or delay school is made by 5:00am. If school is cancelled, all scheduled school activities are cancelled. Parents should keep an eye on the daily weather forecast and should make prior arrangements for day care services if released early.

Parents are encouraged to sign up for Flash Alerts by going to FlashAlert Newswire at <https://www.flashalert.net/> and create an account.

GENERAL SCHOOL INFORMATION:

APARENT SURVEYS: It is very important to us that you have made the choice to place your students in Grand Peak Academy and we are committed to ensuring our relationship in educating your children is a long-term one. A critical tool in evaluating whether or not we will continue to be your choice is by evaluating the results we receive on our Parent/Guardian Survey. The information gathered from the survey will assist us in evaluating and improving our school operations and productivity.

BEFORE AND AFTER SCHOOL CARE PROGRAMS: Grand Peak Academy partners with Champions (www.discoverchampions.com) to provide before and after school care (6:30am-8:00am, 3:00pm-6:00pm). Champions provides coverage from 8:30am-10:00am on days when District 49 conducts a two-hour delay. However, Champions does not provide care when the campus is closed due to weather. Please contact Champions regarding days when school is not in session. There are several providers that offer bus service to and from Grand Peak Academy.

All before and after school clubs must have the approval of the Administration and be chaperoned by an approved adult sponsor. Clubs are to be financially self-supporting.

CELL PHONES AND OTHER PERSONAL ELECTRONIC DEVICES: Grand Peak Academy recognizes the value of personal electronic devices such as cell phones, personal digital assistants, MP3 players, etc. Such devices are useful to organize information, access information and as a communication tool. However, these devices are banned from use during the school day so that they may not be used to disrupt learning in any way or be a distraction to students, staff, or others in the school. These devices should be kept in the student's backpack and/or locker throughout the day. The school does not accept any responsibility or liability for electronic devices brought to school. If electronic devices are seen during the school day by staff, these devices may be confiscated. When an electronic device is confiscated, it may become the responsibility of the parent to retrieve the device from the school office.

CHILD ABUSE: NOTICE TO ALL PARENTS/GUARDIANS OF GPA STUDENTS: GPA is obligated by federal, state, and local laws to inform all parents/guardians of the following statutes concerning alleged child abuse and/or neglect:

1. By Law, the El Paso County Department of Human Services has the prerogative to make an unscheduled visit to Grand Peak Academy and require that a student who is the subject of a child abuse/neglect report be interviewed during school hours without any obligation to notify the parents/guardians of the student or seek permission from the parents/guardians to conduct the interview;
2. Legally, GPA needs to inform parents that any GPA employee who has reasonable cause to know or suspect that a child has been subjected to abuse or neglect is legally **REQUIRED** to report or cause a report to be made of such fact to the Department of Human Services (DHS) immediately. Therefore, if a discussion between a Grand Peak Academy employee and a parent/guardian concerning a student leads the employee to a conclusion that there is reasonable cause to suspect that the student has been subjected to abuse or neglect, the employee is **REQUIRED BY LAW** to report the parent/guardian to the DHS immediately.

CHILD CUSTODY: In most cases, when parents are divorced, it is the responsibility of the parents to provide to the school office a copy of the most recent custody agreement and/or court order which limits the rights of the other parent in matters such as custody, records access, or visitation. Unless such documents are on file with GPA, the school must provide equal rights to both parents. The school strives to meet the needs of divorced parents. In general, one parent teacher conference will be scheduled however, if necessary, an additional conference may be scheduled to accommodate the other parent. Parents may access student progress and report card through online web-based portals. Please contact the school for information regarding the current student portal.

EMERGENCY PROCEDURES: Grand Peak Academy has specific emergency procedures for all types of emergencies. These have been developed in cooperation with emergency personnel and are designed to keep students safe. Sometimes, the school will be in a “lock down” or “lock out” where all doors are locked and no one, not even parents, are allowed inside the building. In some emergency situations, cell phones are not permitted in order to keep lines open for emergency personnel. Parents are always welcome to come and review the emergency procedures handbook if they have questions about what the school will do in emergency situations. If parents are notified to pick up their child through a reverse 911 notification, please understand that the school will ask that you show a picture ID when picking up a child. In the case that our community needs to leave the campus, GPA’s parent-child reunification location is likely to be Vista Ridge High School on 6888 Black Forest Road, Colorado Springs, CO 80923.

FAMILY CONFERENCES: Please see the most current school calendar for dates. The conversations that take place during these conferences between the teachers and families (parents/guardians and students) are critically important to student achievement and student success. *100% attendance by families is required at our family conferences.* All efforts will be made to work with family schedules.

FIELD TRIPS: Field trips are an integral part of the Grand Peak Academy program and attendance is required (students must wear the “field trip” shirt when participating in any/all field trips). All students must turn in a signed permission slip (and fee, if necessary) from their parents/guardian before being permitted to attend the field trip. In most cases, buses will be used for transportation. Standard uniforms are to be worn on all field trips unless specifically announced otherwise by the teacher.

From time to time, classes may wish to take “walking” field trips to the local park, for example. Field trip permission slips are still required for such field trips.

LOST AND FOUND: Any/all student items (e.g. coats, sweaters, lunch boxes, back packs) must be labeled with a last name and phone number in case the item is lost. The Lost and Found is located in a designated area near the front office. Periodically, items in Lost and Found will be donated. GPA will make every effort to notify parents prior to the donation.

OBSERVATIONS: In order to create a consistent school atmosphere for learning, it is recommended that 24-hour notice be given if an observation is desired. A parent wishing to observe a class must arrive before class begins. Each class will have available seating for observers. Observing parents do not participate in classroom activities unless invited to do so by the teachers, and observers must not interrupt teachers and/or students. Observers may take notes; however computers, audio/video recording, etc. may violate privacy laws, and are not permitted.

PETS: Animals, including leashed pets, are not permitted on school grounds unless they are part of the Canine Companion Program or Dog Therapy Program. However, children may bring their pet dog/cat or other small animal to school for “show and tell” as long as the teacher grants prior approval and appropriate pet control methods are maintained (leash, cage, kennel, etc.). Allergies may prevent pets from coming to school.

PLAYGROUND EXPECTATIONS

- Follow the playground aide/and or teacher’s directions at all times and stay within the playground boundaries
- Use equipment safely and for its intended purpose
- No tackling, grabbing clothes, or rough play
- All games are encouraged to be designed to include anyone who wishes to play

SCHOOL LUNCH AND NUTRITION: The GPA lunch program is provided by School District 49 and the menu corresponds to the District-wide menu as does the pricing scale. Students perform at their best when they have eaten a nutritious and balanced meal. GPA participates in the National School Lunch Program which provides free or reduced lunches to eligible students. Parents must complete the Free and Reduced Meals application which is available in the front office or through D49.

As an organization, GPA encourages healthy eating habits for students while on campus. Most grade levels give students a time for snack (provided by the parents) to keep their energy levels stable. Snacks should be nutritious such as a whole fruit or vegetable, popcorn or cheese. Snacks, lunches, and party treats should have minimal non-natural sugar, low preservatives, and little food coloring. Soft drinks or other high-sugar, or caffeinated drinks are not encouraged. For class/birthday parties and snack days, arrangements should be made with your child’s teacher prior. Snacks must be purchased from a store. For more information, please see School District 49 Wellness and Nutrition Policy.

SEXUAL HARASSMENT: Families today find it increasingly difficult in our society to protect their children from sexually explicit messages or images either on the television, computer screen, radio, or grocery store check-out line. The immediate impact of these images and messages on our children is most evident in the way that we see young people either speak to or treat others in ways that have strong sexual undertones. It is our goal at Grand Peak Academy to counteract these images by nurturing a vision of friendship.

As a school, however, we are prepared to deal with sexual harassment which is defined as sexually oriented remarks, behavior or jokes that make a person uncomfortable. This inappropriate behavior is a violation of our Code of Conduct and must be reported to a Teacher or Administrator as soon as possible.

REGISTERED SEXUAL OFFENDER DATABASE: All visitors are scanned through our Raptor System to ensure safety of our students. To obtain information, parents can contact the Colorado Springs Police Department.

STUDENT RECORDS: The school maintains important files of information on each student. Parents/guardians and students may review such records with reasonable advance notice to the school. Parents have the right to challenge any educational record on the grounds that it is inaccurate or misleading. School officials may obtain access to student records for educational purposes. All individually identifiable educational information is confidential except for “directory” information. Directory information includes the student’s name, date of birth, place of birth, participation in officially recognized sports and activities, height and weight (for athletic teams), dates of attendance, degrees, and other honors awarded.

STUDENT VALUABLES: Students should not bring toys, radios, cameras, CDs, electronic games, large amounts of money, etc. to school. At all times, students are to keep track of glasses, watches, and other valuables. Students, not the school, are responsible for their personal property. If it is necessary to bring a valuable item to school, please bring it to the office for safekeeping. Do not keep valuable items in desks. When an item is lost, the student should report it to the teacher or the office. The school staff will attempt to help the student locate the item, but the school is not responsible for supervising personal property, locating it, or paying for lost personal property. The school does not file claims for lost personal property with the police department on behalf of parents or students.

TELEPHONE USAGE: In order to respect the educational opportunity of all students, classrooms will not be disrupted to deliver phone messages, or to call students to the telephone. Students are not to use the telephones without prior permission from a Grand Peak Academy staff member. Please be sure that you have your daily pick-up plans as well as inclement weather pick-up plans established with your child. Passing phone messages along to students during the course of the school day is extremely disruptive to classroom instruction.

Students will not be allowed to call home to retrieve forgotten homework, lunch, or other items. Natural consequences for forgotten items will help the child to remember such items in the future. Forgotten items delivered to the school for a student will be left in the office. The student may check during breaks such as recess or before/after lunch. The teacher or office staff is not responsible for retrieving or delivering forgotten items to the student. Parents are not to disrupt class in order to deliver forgotten items.

TOBACCO FREE CAMPUS: Grand Peak Academy prohibits the use of tobacco products on school property. This prohibition applies to staff, students and members of the general public. Grand Peak Academy discourages students from using tobacco by providing positive adult examples and may present effective anti-tobacco educational programs.

For purposes of this policy, the following definitions apply; fuller definitions may be found in state law.

1. "School property" shall mean all property owned, leased, rented or otherwise used by the school, including but not limited to the following:
 - a. The interior portions of any building or other structure;
 - b. All grounds over which the school exercises control, including areas around any buildings, playgrounds, athletic fields, recreation areas and parking areas;
 - c. All vehicles used by the school.
2. "Tobacco" shall include all kinds and forms of tobacco as well as cloves or any other product packaged for smoking, including “vapor pens” and e-cigarettes.
3. "Use" shall mean lighting, chewing, inhaling or smoking any tobacco product.

4. Paraphernalia shall include any product or device used for ingestion of tobacco or any substance deemed inappropriate for school by Administration.

Signs shall be posted in prominent places on all school property to notify the public that smoking or other use of tobacco products is prohibited in accordance with state law and this policy. Any member of the general public considered by the principal or his designee to be in violation of this policy shall be instructed to leave school property immediately.

VISITORS: Grand Peak Academy invites parents to be partners in their child's education and in the school. Parents are welcome to visit in classrooms and volunteer in a variety of ways throughout the school. **For any classroom visit, please give the teacher advance notice to ensure that the educational process will not be disrupted by the presence of adults in the classroom.** In order to maintain a safe school environment, the office must know who is entering the school and for what purpose. Parents must sign in at the front office whenever they are in the building. Visitation by other students, including friends and relatives, is not permitted without prior permission. The front office will issue a visitor badge for each visitor and must be worn by the visitor at all times while in the building. A driver's license or other form of identification is required the first time any visitor is issued a badge. Should the frequency of visits or behavior during visits disrupt the classroom, the school Administration or designee may restrict visitation.

WEAPONS AT SCHOOL: Any student carrying, bringing, using or possessing any dangerous or deadly weapon in any school building, on school grounds or at any school sponsored event may be recommended for expulsion. The following are dangerous weapons: firearms (including air guns and pellet guns – loaded or unloaded, operable or inoperable), firearm facsimiles, fixed blade knife, spring-loaded or pocket knife, any knife used to threaten harm to others, brass knuckles, bludgeons, or any other device or substance intended to be used to inflict serious bodily injury or death.

ACADEMIC PROGRAM

The Colorado state standards and the Core Knowledge Scope and Sequence are the foundation for all curricula at GPA. Teachers create a yearlong curriculum map which outlines the standards students are expected to master for each subject/unit. Assessments are used to determine if the student has mastered the subject. All students are expected to master the content and skills and be able to use the information and skills independently. GPA expects students to master the standards in the following:

- Reading • Writing • Mathematics
- Science • Geography • History (American and World)
- Economics • Civics • Music
- Art • Physical Education • Technology

Parents can view the state standards at: www.cde.state.co.us/cdeassess/documents/olr/k12_standards.html Also, the Colorado Department of Education (CDE) includes definitions that will guide parents and students in determining if mastery has been reached: www.cde.state.co.us/cdeassess/documents/csap/csap_plds.html

CHARACTER EDUCATION

GPA seeks to provide not only a solid academic foundation, but also a firm grounding in moral and ethical values. This begins with clear standards for personal conduct – basic expectations for appearance, behavior and attitude – that both enhance the school’s learning atmosphere and prepare children for life in a world of other individuals with their own needs, opinions, and expectations.

GPA believes that a focus on character education through modeling, direct instruction, clear expectations, and consistent follow-through help children learn how to become model citizens. GPA’s goal is to help each child develop a strong character based on respect for authority and the rights of others, and the responsibility to take care of his/her own and other’s property. This includes regular attendance, few or no discipline referrals, and behavior that will match the expectations of the school.

CLASSICAL EDUCATION

The Classical approach to education is about 1,000 years old and has been experiencing a revival of popularity over the last hundred years. The basis for the Classical approach to education is called the Trivium (www.triviumeducation.com). The Trivium’s function in a student’s education has multiple meanings at different stages of development. It encompasses the stages of academic development as well as specified pedagogical approaches with all academic disciplines. The three Trivium Arts Stages are the Grammar stage, the Logic stage, and the Rhetoric stage, occurring in that order. These three stages are experienced by all students in Grades K-12, but each stage is emphasized at different developmental levels of a student’s education.

CORE VIRTUES

Each month, GPA emphasizes a different core virtue, such as responsibility, respect, joy, diligence, and so forth. These core virtues are discussed explicitly throughout grade level curriculum (literature, history, etc.). In addition, regular assemblies are held to showcase these core virtues and award students who exemplify these traits.

DISCIPLINE

Rules and expectations covered in this section are designed to meet the following goals:

1. Maintain an orderly school operation
2. Maintain optimal learning opportunities for students - school facilities and classrooms must be free of behaviors that interfere with teaching and learning
3. Help students develop skills and behaviors necessary for healthy social interaction
4. Help students learn how their decisions affect the quality of their lives and the lives of others
5. Help students develop responsibility and character

GPA implements and functions within the philosophies and strategies of the Love and Logic student behavior management program. Reaction to misbehavior requires consideration of several factors:

1. The precipitating events.
2. The child's intentions.
3. The personality and temperament of the child.
4. What actually happened?
5. The damage or hurt caused by the misbehavior or rule violation.

The type and level of discipline is determined by teachers, and, if necessary, Administration. All discipline is character-focused and based on traditional principles (restorative practice, natural consequences, restitution, apologies, and attitudes).

Maintaining an orderly atmosphere is critical to learning. Compassion and forgiveness are an integral part of student discipline. Discipline is best maintained by those on the front line; the classroom teachers. Common sense being the rule, teachers are expected to uphold the spirit of GPA's discipline policy. The following may lead to disciplinary referrals to Administration:

1. **Disrespect** demonstrated to any staff member.
2. **Dishonesty** in any situation while at school.
3. **Defiance:** outright disobedience in response to instructions.
4. **Fighting:** physical gestures or threats with the intention to harm another student.
5. **Obscene language or gestures.** Students are expected to use wholesome language at all times.
6. **Habitual Disruption** of the educational process.
7. **Stealing:** Any student caught stealing will be subject to discipline by school Administration, including restitution and the possibility of expulsion.

8. **Vandalism:** A student involved in willfully damaging school property may receive school suspension. The student will also be responsible for paying repair costs.
9. **Truancy:** A student is absent without permission is considered truant.
10. **Cheating:** As exemplary citizens, GPA students are expected to maintain absolute integrity as members of the student body. All provable cheating incidents will receive a zero for the paper, quiz, test, or assignment as well as an office referral. The following activities are not tolerated:
 - a. **Copying or permitting a fellow student to copy** the homework/classroom/test.
 - b. **Use of notes or “cheat sheet”** during a test unless permitted by the teacher.
 - c. **Plagiarism:** Intentional or unintentional plagiarism is any instance where a student includes non-original material in their work without giving credit to the original author. Such plagiarism is considered a form of cheating and subject to academic and disciplinary action.
 - d. **Looking at or possessing a copy** of an assessment not yet taken.

Maintaining an appropriate learning climate facilitates a commitment to individual growth and learning. When student behavior hinders this approach, a clearly-focused disciplinary procedure comes into play. The disciplinary system is based on the Love and Logic philosophy and involves clearly defined behavior expectations, helping the child articulate how his/her behavior was a violation, natural consequences, and refocus time. Parents are contacted when behavior involves significant consequences.

The ultimate recourse for handling a student who simply will not adapt to GPA’s standards is to remove the child from the school, either temporarily or permanently. It is crucial to the school’s ability to provide a quality educational experience and to the school’s institutional identity. Parents will be involved in any suspensions or expulsions, and such serious actions will follow a specific procedure adopted by GPA.

Remedial behavior plans - The principal or designee may develop a remedial behavior plan for any student who has not followed the Code of Conduct for students. The goal of the behavior plan shall be to address the student’s disruptive behavior and educational needs while keeping the child in school.

Discipline of habitually disruptive students - Students who have been suspended three (3) times during the school year in violation of their individual remedial discipline plans shall be declared habitually disruptive students which may result in suspension or expulsion.

ACADEMICS

GRADING SCALE

Kindergarten through first grade, the following grading scale is used:

E – Excellent

G – Good

P – Proficient

N – Needs Improvement

Second grade through Middle School, the following grading scale is used:

(A) = 90% and above (B) = 80% - 89% (C) = 70% - 79% (D) = 60% - 69% (F) = 59% or below

HOMEWORK

At Grand Peak Academy, the teachers and Administration strongly believe that homework contributes to the academic success of children. Homework serves as a link between the child, the home, and the classroom. Homework fosters positive school attitudes, good study habits, effective time management, and personal responsibility. While recognizing the usefulness of homework, Grand Peak Academy staff also strive to minimize homework loads, realizing the need to maintain a balance in students' lives. Homework may be a daily activity for some students. Students who use their class time responsibly should not have excessive amounts of homework (see chart below). If students are consistently overwhelmed, parents should contact the teacher.

| Homework Time Guidelines (Avg amount of homework per night). Grade Level | Average Approximate Time |
|--|---|
| Kindergarten- 1st Grade | 10 minutes |
| 2nd Grade | 20 minutes |
| 3rd Grade | 30 minutes |
| 4th Grade | 40 minutes |
| 5th Grade | 50 minutes |
| 6th Grade | 60 minutes |
| 7th Grade | 70 minutes |
| 8th Grade | 80 minutes |

READING AT HOME

In addition to homework, students are also expected to read 20-30 minutes every evening. This will include parents reading to their child and/or a child reading independently. Teachers may recommend books for the children to read and may also send home a book for the parent and child to read together. Research indicated there is a correlation between time spent reading and performance on standardized tests. Students performing above the 90th percentile read an average of 20 minutes per day.

Students should:

- Complete homework assignments neatly and on time
- Schedule time wisely to meet assignment deadlines
- Attend school regularly and come prepared
- Turn in homework when due, even if all the homework has not been completed
- Get assignments when absent. If a student's absence is *unexcused*, partial credit is given for turned in makeup work. **Make up work is encouraged totake priority over any extracurricular activity.**

Teachers should:

- Provide checkpoints for long term assignments
- Give no more than two major tests on any one day. This does not include vocabulary quizzes or spelling tests which are usually studied in class as well. As students move into the higher grades, the test limit may not always be possible
- Assign work for academic reasons to practice, reinforce, and master skills
- Provide clear directions for assignment, format, and due date

Parents should:

- Provide an appropriate place and atmosphere for homework
- Set aside homework/reading time nightly
- Contact teacher if time spent on homework is excessive.

MULTI-TIERED SYSTEMS OF SUPPORT (MTSS)

When teachers notice that a student is not making appropriate progress in the classroom, they will attempt a variety of strategies, or “intervention” within the classroom to help support student success. These interventions are tracked through progress monitoring or data collection on a regular basis to determine the students’ “response to interventions” or the success of these strategies. If the student is making better progress with these strategies in place, the interventions will be continued, and the student’s progress will continue to be monitored. Should these strategies not prove to be effective, a new intervention and/or increased intensity of interventions will be employed and further progress monitoring will take place. Should you have questions about your child’s progress and the need for strategies, please contact your child’s teacher.

MID-TERMS AND REPORT CARDS

Report cards and mid-term academic progress reports are distributed digitally via PowerSchool and referred to during family conference times. End of year report cards are uploaded in PowerSchool.

MONITORING STUDENT PROGRESS AND REPORT CARDS

Parents should sign up to access the PowerSchool Parent Portal. PowerSchool allows parents to check on student progress, missing assignments, homework, and attendance. Please contact the front office to receive directions on how to set up your PowerSchool Parent Portal account.

PLACEMENT AND PROMOTION CRITERIA

GPA's primary goal at the elementary level is solid literacy. A child cannot go on to more complex studies if he/she does not have adequate reading skills. In addition to literacy, students must have attained competence in all the core subjects (English, including reading, spelling, grammar, composition; History; Math; Science) over the course of the year. Competence is attained by not only knowing the material but by completing assigned work. Completion of work demonstrates not only the ability of the student in the various subjects but also the mastery of study skills necessary for academic and personal achievement. Students whose grades or skills fall below the requirements of their grade level and if evidence indicates the student will not be successful with the more rigorous studies at the next grade level, these students will be considered for retention. Grand Peak Academy will work with the parents and the student to evaluate progress in academics, social skills, work habits, emotional maturity, physical maturity, and family support of retention. Based on a review of the evidence, the teacher and parent will make a recommendation to the School Administration or Designee. All final decisions about retention are made by the School Administration or Designee.

Students will be placed in the grade that is most appropriate for the child. Upon registration, the school will obtain information about the child's performance level from the parent and previous school. Some pretesting will also be done if there are questions about which grade placement will be best for the child's successful experience at school. Final decisions about grade placement will be made by the School Administration or Designee.

SPECIAL EDUCATION PROCEDURE

With the implementation of interventions, the goal is for a student to make progress. However, if this does not happen, even with increasing the intensity of interventions, a referral for Special Education testing may be suggested. We use the "MTSS format in supporting the needs of students. Prior to testing, parents will be contacted; no testing will take place without parent approval. Following the testing, a meeting between parent, teacher, Special Education staff members, and Administration will be called to determine if the student qualifies for Special Education services. If a student qualifies, an Individual Education Plan (IEP) will be written to set student goals and create a plan for achieving them.

TEXTBOOKS

Textbooks are the property of GPA and students are responsible for the care of their books. All books are to be covered with an appropriate book cover. Damaged or lost learning materials are the responsibility of the student to whom issued. Any learning material that is damaged or lost will be paid for by the student at full replacement cost. It is possible that student permanent files may be held if all costs are not paid. Under no circumstance should a student write in a textbook.

Charge for damaged textbooks (replacement cost plus 25% for processing shipping and handling.)

ATTENDANCE PROCEDURE

Regular, daily attendance in class is extremely important to the educational process. According to state law, it is the obligation of every parent or guardian to ensure that every child under his or her care and supervision receives adequate education and training and, if of compulsory attendance age, attends school.

Absences may be classified as either excused or unexcused. Parents/guardians must notify the school office via phone or email prior 9:00am to report an absent student on the day of the absence in order for the absence to be considered excused. A doctor or health care provider note should be provided when possible. Although students may not be required to make up all work assigned during an illness, they will be held accountable for its content when tested. For each day of absence, two make-up days will be given. Extended illness that is validated by a physician may receive special consideration with Administration approval. Work that is missed as a result of an unexcused absence may be turned in for partial credit.

After an accumulation of four (4) absences, parents/guardians will be notified by letter. After an accumulation of seven (7) absences, parents/guardians will receive a second notification. After an accumulation of ten (10) absences, students will be placed on an attendance contract that will include parent input when possible. If compliance with an attendance contract becomes a challenge, the student may be referred to the District Truancy Officer and/or Truancy Court.

Students will be allowed no more than fifteen (15) absences per school year. Once the number exceeds the approved number of absences, written documentation from a doctor or health care provider may be required in order for the absences to not only be considered excused, but to also address the reasons for the excessive absences. The absences may therefore be considered unexcused until the appropriate documentation is provided to the school's administration.

EXCUSED ABSENCES

The following are considered excused absences:

1. Absences because of temporary illness or injury
2. Absences for an extended period due to physical, mental or emotional disability
3. Absences due to attending any school-sponsored activity or activities of an educational nature with advance approval by the Administration
4. Absences by those who are in the custody of court/law enforcement authorities
5. Those determined by school Administration to be excusable, such as doctor's appointments or juvenile court appearances

UNEXCUSED ABSENCES

An unexcused absence is defined as an absence that is not covered by one of the foregoing exceptions. Each unexcused absence shall be entered on the student's record. The parent/guardian of the student receiving an unexcused absence will be notified orally or in writing. Parents/guardians must notify the school within 48 hours of the absence for the absence to be deemed excused by school administration. According to School District 49, El Paso County, Colorado policy, and in accordance with the law, the school may impose academic penalties which relate directly to classes missed while unexcused. The Administration shall develop regulations to implement appropriate penalties.

PRE-ARRANGED ABSENCE

When a family need results in a student's absence, advance written permission must be submitted. Pre-arranged absences will count against the fifteen (15) day maximum allowance for absences per school year. Daily assignments may be excused at the discretion of the teacher. However, students will always be accountable for the material taught during their absence. Students should turn in missed work the day they return to school. Please notify the teacher to get the work the student will miss. Please understand that notification of less than two (2) weeks will likely hinder the ability to provide necessary make-up work and students may lose credit for the work not completed during their absence.

Ultimately the student is responsible for securing her/his make-up work from individual teachers.

1. Missed Test: Pre-announced and scheduled tests which are missed due to an excused absence will be administered on the day after the student returns to class.
2. Missed Quiz: Pop or unannounced quizzes due to an excused absence will be made up at the discretion of the teacher.
3. If a student "skips" school, he/she will not receive any credit for required work.
4. If a student is unable to participate in class due to absences of more than ten (10) days in a semester, he/she may be asked to repeat the grade or attend summer school.
5. Students absent due to school-related activities (field trips, sports, rehearsals) must contact each teacher prior to the scheduled event to submit assignments due, schedule make up tests, and complete a Pre-arranged Absence Form for make-up work.
6. Grand Peak Academy does not recommend that parents remove students from school for long trips, such as extended family vacations, summer camp, mission trips, etc. during the school year. Those absences will negatively impact the student's academic experience at Grand Peak Academy, and they will count against the fifteen (15) day maximum allowance for absences per school year. Whenever possible, please use scheduled breaks and summer vacation for these purposes.

END-OF-YEAR ABSENTEEISM

If a student is absent from school at the end of the year and does not return for the last five (5) days of school AND the student has ten (10) or more absences in the semester, the student is considered withdrawn from Grand Peak Academy, effective the last day he/she attended classes. Filling out a Pre-arranged Absence form, will not prevent the withdrawal from being processed.

TARDIES

Punctuality is of great importance to GPA. Tardiness interferes with student achievement both for the tardy student and for that student's classroom. Excessive tardiness shall result in a conference to include a parent/guardian, the student, and the Principal. A plan will be developed and expected to be followed. If a child arrives after the start of the school day, the person dropping the child off must escort the student into the school office and sign the child in and the child must receive a tardy slip from the front office before attending class for the day. This shall indicate to the teacher that the student has checked in at the front office. If a tardy child is NOT signed in, then they will have an unexcused tardy. When a tardy occurs due to an appointment, Grand Peak Academy should be notified in advance if possible. The office will not attempt to distinguish "excused" or "unexcused" tardiness. Carpooling arrangements must be made to ensure students arrive at school with adequate time to be prepared for their first activity. If you are tardy for school, please do not take your child to the classroom without first obtaining a tardy slip from the office and signing your child in. The teacher will only admit the student if the parent has signed the child in at the office, and the child has obtained a tardy slip.

DRESS CODE

Grand Peak Academy is dedicated to creating a positive environment that is conducive to learning. The purpose of having and enforcing a dress code is to:

- Foster an environment conducive to learning, free of unnecessary distractions and comparisons
- Ensure an orderly and safe learning environment
- Promote neatness and modesty
- Avoid pitfalls of “cool” fads/trends/styles
- Encourage virtues of moderation and consideration of others

Students are expected to be well-groomed, dressed in a manner reflecting respect for themselves and those around them, and to use good judgment in the choices they make.

UNIFORMS

Uniforms are mandatory for all Grand Peak Academy students. Uniforms must be worn during school hours, including field trips, except under special circumstances or as announced; for all before and after school programs; all tutoring and enrichment sessions (except on occasions when costumes may be required for dress rehearsals or when gym clothes may be required for athletic activities). Uniforms are not required for evening or weekend activities unless specified.

Students/parents are responsible for ensuring students arrive at school in the proper uniform. Within the school, the dress code will be enforced by the classroom teachers, other staff members, and Administration. Dress code decisions are at Administration’s discretion.

Clothing should be neat, clean, well-fitted, and age-appropriate; it should neither be too tight nor too baggy; not ripped or torn; and reflect a simple style - no adornments such as lace, frills, ruffles, tulle, sequins, rivets or sparkles.

- Middle school girls are permitted to wear natural looking make-up.

If at any time, due to medical needs, a student is unable to comply completely with the dress code, a written note from a physician is needed, and a conference with the student and his/her parent/guardian may be required in order to determine the best way a student may honor the dress code and remain comfortable and healthy.

Parents and students are expected to follow the spirit of the dress code and not try to find “loopholes” in the above. Following the dress code both in its description and spirit demonstrates the type of character we want to help instill in our students. Issues not specifically stated herein that violate the intent of this dress code will be deemed inappropriate. While a student may be technically in compliance with the uniform and dress code, they may be in violation of the spirit or purpose of the dress code. School staff has the authority to determine if dress or grooming is in violation.

Students, with parent support, are expected to adhere to the dress code. Teachers will be checking students’ dress regularly. Student and/or parents will be notified when student is in violation of dress code. If, in the sole opinion of any administrator, staff or faculty member, a student is in violation of the policies or purposes of the uniform and dress code, it is expected that they come into immediate compliance. Continual and/or willful violation of the uniform and dress code will result in disciplinary action which may include suspension. If you have a question about an item, please call the school before purchasing. The school is not responsible for school clothing purchases that do not comply with dress code.

CONSEQUENCES

A variety of consequences could be utilized based upon the type, number and severity of the uniform violations. Consequences could range from calling parents to bring acceptable clothing, to sending a student home to change, to detention.

SCHOOL BEHAVIOR & DISCIPLINE

GENERAL CONDUCT

GPA places a great deal of emphasis on the character development of each student. Progress is most often recognized by outward actions toward others. With this in mind, students are expected to demonstrate an attitude of respect for their peers, adults and to school property or the property of another. GPA believes students learn to develop virtuous character by observing behavior of adults and peers, from direct teaching, analysis of behavior in literature or video, making mistakes, and from practicing actions that lead to virtuous character.

The School will attempt to encourage an attitude of individual responsibility towards the quality of life in the school community. The Board supports the principle that individuals should behave with self-respect, respect for others, and respect for their own and other's property.

Good Sportsmanship: Good sportsmanship is expected of all students who participate, either as athletes or spectators, in any form of School-related activities. Specific regulations pertaining to behavior and discipline during school-related activities will be developed and enforced by School administration.

BEHAVIOR AND CONDUCT EXPECTATIONS

Students are expected to show consideration for adults and their classmates by being aware of and complying with the following:

1. Cooperate using traditional standards of behavior and conversation.
2. Respectful communication should occur. There should be no talking back or arguing with teachers or staff. Prompt and cheerful obedience is expected. Requests from the teacher should not have to be repeated.
3. Students are held responsible for damage done to school property, including textbooks. Actual replacement/repair costs will be assessed.
4. Public displays of affection are not permitted at school or school activities.
5. Walk single file on the right side in all hallways.
6. Keep hands and their possessions to themselves.
7. Keep their personal space (desk, backpack, etc.) neat and organized.
8. Be in class, on time, and ready to work.
9. Be active participants in the learning process by participating in class discussions, completing assignments, reading on a daily basis, and being open to new ideas and activities.
10. Eat or drink in designated areas only. Students may not chew gum at school.
11. Be aware of and avoid the areas that are off limits throughout the building or campus.

CONFLICT RESOLUTION: As parents, students, and school personnel, we are committed to seeking resolution with others when a wrong, perceived or real, has occurred. Specifically, if a parent has a concern, the parent should meet with the teacher one-on-one as a first step. If a parent/student has a conflict with another parent/student, the parents and the students should notify staff or Administration to assist in resolving differences/concerns. In general, parents and students are expected to exercise the following steps in resolving conflict:

1. Meet with the teacher and try to solve the problem directly.
2. If no satisfaction is reached, request a meeting with Assistant Principal or Administrative Support Staff. The teacher and/or parents may or may not be involved in this meeting.

3. If no satisfaction is reached, request a meeting with the school's Principal
4. If not satisfaction is reached after steps 1-3, request a meeting with a member from the Board of Directors.
5. GPA may use techniques attributable to Love and Logic and/or Restorative Practice.

BEHAVIOR IN THE CLASSROOM: Students are expected to:

1. Enter classrooms in an orderly manner
2. Get to desks, be seated and quietly work when the bell rings
3. Pick up any trash and help to maintain a neat classroom environment (and campus)
4. Refrain from throwing any objects in the classrooms (or while on campus)
5. Leave the teacher's desk, chair, reference books, and white board undisturbed and untouched unless permission is granted
6. Leave the blinds, desks, and windows undisturbed unless permission is granted
7. Work on assignments during class and stay on task until they have finished work
8. Honor the classroom environment and will refrain from:
 - a. Passing notes or asking others to pass notes
 - b. Talking while the teacher or other students are talking

BEHAVIOR IN THE LUNCHROOM: Students are expected to:

1. Follow the lunchroom monitor's directions at all times
2. Sit in the grade-level groupings as assigned
3. Conversations are encouraged at the table (at an appropriate indoor level)
4. Use good manners and pick up after yourself. Individual tables will be dismissed by a lunchroom monitor when the table and surrounding area has been cleaned up

SUSPENSION: Suspension from school is a serious step in the discipline procedure of Grand Peak Academy. Suspension may result from repeated violations of school rules or a single serious violation of school rules. The length of suspension is determined by the frequency or severity of the offense, and may be from a half day to ten (10) days in duration. Certain offenses may receive automatic suspension without prior attempts at mediation. Any suspension will involve communication between parent and Administration and may require a re-entry meeting with or without parents at the discretion of school Administration.

EXPULSION: GPA follows the School District 49 expulsion policies and procedures found at www.D49.org.

SERIOUS MISCONDUCT If a student commits an act with such serious consequences that Administration deems it necessary, the office-visit process may be bypassed and suspension or expulsion proceedings imposed immediately. Examples of such serious misconduct could include acts endangering the lives of other students or adults, gross violence, vandalism to the school facilities/campus, violations of civil law, any act that puts the personal safety and security of the student at risk, or any act in clear contradiction of Grand Peak Academy's policies. Students may be subject to school discipline for serious misconduct which occurs after school hours.

Any behaviors or consequences not specifically documented here may fall under the guidance of the School District 49 Code of Conduct – JICDA. Administration reserves the right to refer and follow the School District 49 Code of Conduct when deemed appropriate by GPA Administration.

SCHOOL DISTRICT 49 RULES Although the information in this section has been previously covered, it is District policy that each year students will receive a copy of the District 49 Code of Conduct. All District 49 Policies and Procedures are posted on their web site at: www.d49.org, listed under Publications.

SCHOOL DISTRICT 49 CODE OF CONDUCT

The principal may suspend/recommend expulsion of a student who engages in any of the following activities while on campus, in school vehicles or during a school-sponsored activity and in certain cases when the behavior occurs off of school property.

21. Lying or giving false information, either verbally or in writing, to a district employee.
22. Engaging in scholastic dishonesty, which includes but is not limited to cheating on a test, plagiarism, or unauthorized collaboration with another person in preparing written work.

23. Making a false accusation of criminal activity against a district employee to law enforce mentor to the district.
24. Behavior on or off school property that is detrimental to the welfare, safety, or morals of other students or school personnel, including behavior that creates a threat of physical harm to the student exhibiting the behavior or to one or more other students.
25. Repeated interference with the district's ability to provide educational opportunities to other students.
26. Continued willful disobedience or open and persistent defiance of proper authority, including refusal to obey a member of the district staff.

The penalties or consequences for violating these rules cannot be excused or changed by local charter school boards or administrative staff.

HARASSMENT

GPA is committed to maintain an environment for its school community, which is free from harassment. The school strongly disapproves of any form of harassment in our community. Complaints of harassment will be handled without delay.

Definition. The term "harassment" includes, but is not limited to, slurs, jokes, and other verbal, graphic or physical conduct relating to an individual's race, color, sex, religion, national origin, citizenship, age, or disability. Sexual harassment means unwelcome sexual advances, offensive touching, requests for sexual favors and other verbal, graphic or physical conduct of a sexual nature when:

- a) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's grade, status at the School or involvement in any activity;
- b) Submission to or rejection of such conduct by an individual is used as the basis for failing such individual; or
- c) Such conduct has the purpose or effect of unreasonably interfering with an individual's School performance; or
- d) Such conduct has the purpose or effect of creating an intimidating, hostile or offensive learning environment.

Any sexual advance by a staff member to a student, whether welcome or not, shall be considered harassment.

Reporting: Students are encouraged to report all incidents of harassment to a teacher, counselor, or administrator. The Principal will inform the Title IX coordinator, who will oversee the investigation process. In determining whether alleged conduct constitutes harassment, the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred shall be investigated.

Consequences: Any student found to have engaged in harassment shall be subject to a range of accountability process outcomes, including, but not limited to, being placed on a disruptive behavior plan, suspension, expulsion, and/or participation in a restorative activity, subject to applicable procedural requirements in accordance with applicable law. Conduct of a sexual nature by adults directed toward students shall, in appropriate circumstances, be reported as child abuse. Retaliation is prohibited for reports of harassment made in good faith.

SCHOOL BULLYING POLICY

“Bullying” is any act that is directed against another that is, or repeated, targeted and intended to cause harm. This would include any act that may reasonably be perceived as, intimidating, hostile, humiliating, threatening, ridiculing, offensive, or otherwise likely to evoke fear of physical harm or emotional distress. Such behavior is considered bullying whether it occurs on or off campus, during non-school hours, at any school-sponsored event, or in a school bus/vehicle.

- Physical bullying includes, but is not limited to, a pattern of repeated hitting, kicking, spitting on, or pushing another, destruction of property or theft from the intended victim.
- Verbal bullying includes, but is not limited to, insult, ridicule, and teasing. Verbal bullying may be done privately or publicly in order to, among other intentions, humiliates or torture a person.
- Written bullying includes, but is not limited to, insult, ridicule, and teasing.
- Social or Relational bullying involves an effort to destroy a person’s reputation or participation in a social group. It includes spreading rumors and refusing to include the victim in group activities with the purpose of having the target rejected by peers and thereby forcing social isolation. Sexting, which involves sending sexually explicit material or photos by text message, is specifically prohibited.
- Cyber bullying involves the conduct of bullying through electronic means, such as social media, email, camera phones, personal digital assistants (PDA), computers, or other types of technology.

REPORTING

All staff, administrators, and teachers are required to report any suspected intimidation or bullying to school leadership (e.g., principal, assistant principal and/or Administrative support staff). Students/parents/ guardians may confidentially report suspected/ alleged bullying to Administration. All reports or allegations of bullying will be reviewed and investigated.

No adverse action will be taken against any person who makes a good faith report of harassment or bullying. Retaliation in any form against anyone for making a complaint under this policy or for participating in an investigation is strictly prohibited. Any retaliation should also be reported pursuant to this policy and is itself a cause for disciplinary action.

DISCIPLINARY ACTIONS

Bullying will be considered a violation of proper school conduct. All students who admit to, or who are found guilty of, committing intimidation or bullying will be subject to disciplinary consequences including mediation, detention, suspension, or expulsion. Any submission of false reporting of intimidation or bullying will be subject to disciplinary action.

Grand Peak Academy follows these general procedures for incidents of bullying:

- Children/adults are to notify a teacher or Administrator if any bullying is occurring.
- The teacher or Administrator will meet with the student(s) involved either separately or collectively. Individual parent meetings may also occur.
- Bullying or perceived bullying will be considered an opportunity to train students on what bullying looks like and how to prevent bullying – no matter what type of bullying is occurring. If bullying continues and the school is not able to resolve an agreeable plan to stop the bullying, the person doing the bullying may be suspended and/or expulsion may be considered.

SCHOOL INTERNET USE

INTERNET ACCESS

Parents must sign the Internet Use and Rules Agreement before students may use the Internet.

STUDENT INTERNET USE (*Compliance with Children's Internet Protection Act*)

It is the policy of *Grand Peak Academy* to:

- a) prevent user access over its computer network to, or the transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications;
- b) prevent unauthorized access and other unlawful online activity;
- c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and
- d) comply with the Children's Internet Protection Act ("CIPA"). Key terms herein are as defined in the Children's Internet Protection Act (CIPA).

ACCESS TO INAPPROPRIATE MATERIAL: To the extent practical, technology protection measures (e.g., Internet filters) are used to block or limit access to inappropriate information via the Internet/other forms of electronic communications.

Specifically, as required by CIPA, blocking shall be applied to audio, visual, or written depictions of material deemed obscene, to child pornography, and to any material deemed harmful to minors.

Subject to staff supervision, technology protection measures may be disabled for adults or, in the case of minors, minimized only for bona fide research or other lawful purposes.

INAPPROPRIATE NETWORK USAGE: To the extent practical, steps shall be taken to promote the safety and the security of users of the school's online computer network when using electronic mail, social network websites, chat rooms, instant messaging, and other forms of direct electronic communication.

Specifically, as required by the CIPA, school policy shall prevent inappropriate network usage including a) unauthorized access, "hacking," and unlawful activities; b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors; and c) cyber bullying in accordance with the "Protecting Children in the 21st Century Act" established in August 2011.

The Federal Communications Commission has specifically noted that Facebook is not required to be blocked. GPA will determine whether other social networking websites are harmful.

EDUCATION, SUPERVISION AND MONITORING: It is the responsibility of all school staff members to educate, supervise, and monitor appropriate usage of online computer network and access to the internet in accordance with this usage policy, as well as according to the standards of CIPA, NCIPA, and Protecting Children in the 21st Century Act.

Procedures for disabling or otherwise modifying any technology protection measures shall be the responsibility of the school's Internet Technology Officer/designee.

Teachers will provide age-appropriate training for students who use the school Internet facilities. The training provided will be designed to promote the school commitment to:

- i. The standards and acceptable use of Internet services as set forth in this Internet Safety Policy;
- ii. Student safety with regard to;
 - a. Safety on the internet
 - b. Appropriate behavior while on line, on social networking Web sites, and in chat rooms
 - c. Cyber bullying awareness and response
- iii. Compliance with the requirements of the Children's Internet Protection Act

Following receipt of this training, the student will acknowledge that he/she has received the training, understood it, and will follow the provisions of the school's acceptable use policies. This Internet Safety Policy for Students was adopted and approved on October 14, 2011.

PARENT AND COMMUNITY INVOLVEMENT

PARENT INVOLVEMENT AND COMMUNICATION

GPA believes that parental partnership and involvement in their child's education strongly impacts a student's academic achievement. The school's goal is to involve each parent as a full partner in the educational program. GPA strives for a high level of parental involvement as decision makers, providing instructional support to students, and as volunteers in a variety of support functions. It is also the goal of GPA to have a high degree of parent satisfaction with both the education their child is receiving and the operations of the school. The authority and responsibility for the education of children belongs to parents. The role of the school is a supplementary agency commissioned to support not to supplant, to compliment not to compete with, and to reinforce not to replace the home.

GPA welcomes parents to be directly engaged in tutoring, coaching, classroom presentations, preparing resource materials, participating in school-wide task forces and committees, as well as providing other necessary and invaluable assistance. The family naturally provides the most influential and effective context for basic life-long learning and teaching. For this reason, and at the discretion of the classroom teacher or principal, parents are invited to teach or assist with learning projects in all subjects, depending on their interests and expertise. The Core Knowledge Scope and Sequence offers a broad and rich range of content that parents will likely be able to contribute to and enhance classroom teachings.

Parents are also encouraged to spend time reading aloud to children at school and/or in the home, coaching them in skill development, and otherwise contributing time and talents in a variety of ways. Parents with children in a specific grade level will have the opportunity to volunteer in that grade at the teacher's discretion. GPA recognizes that the many valuable and varied contributions of parents increase the overall quality of the school

PARENT INVOLVEMENT AND VOLUNTEERING

GPA desires to create a balance between encouraging a great emphasis on parent volunteers in this school, while at the same time establishing a learning environment that best serves all of our students. Defined below are general parameters for parents volunteering in our classrooms.

Parents are an integral part of teaching the entire curriculum, at home and on campus. The teacher's individual teaching style sets the tone in the classroom, including the delivery of the educational program to classroom management. The teacher has primary responsibility for the classroom and student learning within the classroom. Parents who wish to be volunteers in the classroom need to learn the teaching style of the teacher they wish to assist. If the teacher's teaching style conflicts with the parent's volunteering style, the parent will need to either adjust their style or find a more compatible volunteer role in the school. Under no circumstance is it ever acceptable for a parent/volunteer to confront a teacher or staff member about an issue when students are present. 5. Under no circumstance is it ever acceptable for a parent/volunteer to confront a student about a behavior or issues within the classroom.

GPA encourages parents to take special interest in the lives of their children, to act as a mentor and tutor, and to instill in every child a love of learning. Parents work in conjunction with the staff to ensure the most effective education possible. To this end, parents are responsible for knowing and understanding the contents of the GPA Family Handbook, and are encouraged, but not required to participate in school committees, and provide other volunteer services, as they are able.

Parents/guardians of each family are asked to serve at least twenty (20) hours per year per household in school volunteer service. Twenty hours of volunteer service each year is the most desirable avenue for our partnership. However, parents who do not fulfill the volunteer hours requirement will be asked to submit a \$200 donation in lieu of their volunteer service.

Parents are welcomed and encouraged to participate in the school and to reasonably observe and/or assist the teacher. However, any parent whose presence or actions are deemed by the teacher and Principal to be a distraction, to exhibit hostility, or to interfere with the instruction or learning of the students, could be asked to serve in other valuable capacities outside the school environment.

VOLUNTEER CODE OF CONDUCT

- Schedule all in-classroom volunteer hours through the classroom teacher.
- Be on-time and reliable in fulfilling volunteer commitments.
- Please exercise kindness while volunteering for Grand Peak Academy.
- Respect and abide by the confidential nature of anything you might see or hear while volunteering.
- Please conduct yourself in a businesslike and fair manner, without partiality to individual students.
- Please motivate children in a positive way to work and help them succeed in school.
- Graciously accept direction and constructive criticism from staff members.
- Acknowledge the teacher as the authority in the classroom.
- Do not confront students regarding behavior, conflict, or other student actions. Any concerns about student issues or behaviors should be brought to classroom teachers or staff members.
- Do not confront a teacher regarding disagreements/differences of opinion in the presence of children.
- Be respectful of the classroom by not disrupting a teacher's instructional time or student learning.
- Dress modestly and appropriately for a school environment (i.e. refer to Dress Code).
- Wear a current volunteer nametag at all times when volunteering at the school.
- Sign in and out at the front office when volunteering at the school.
- Record all on and off campus volunteer hours in the log sheet in the front office.
- Ensure that all children (e.g. younger siblings, non-students) accompanying the volunteer on school premises are supervised at all times. Children may only accompany volunteers in the resource room, lunchroom, hallways, and at recess.
- Arrange for a replacement in the event you cannot meet your scheduled obligations and notify the teacher and front office at least 24 hours in advance.
- Please know that if any conduct is deemed inappropriate, limitations will be set by Administration.

STUDENT HEALTH AND MEDICATION

The most important step in preventing the spread of illness is to keep sick people away from healthy people. If your child is sick, please keep your child home to help him/her recover and to prevent the spread of illnesses. If your child has a sore throat, persistent cough, runny nose, body aches, vomiting, diarrhea, or a fever over 100 F degrees or 37.7 C degrees, please keep your child home until he/she is symptom-free for 24 hours – without the use of fever-reducing medicine.

The beginning of any infectious illness is usually the time it is most likely to spread to others. This is also the time your student is probably feeling unable to participate in class. Please observe the following:

- Fever, vomiting, or diarrhea: Your student should remain home for 24 hours after symptoms end.
- Colds/respiratory viruses: Student should stay home at the beginning of a cold. When she/he feels better and no longer has a persistent cough, it is permissible to return to school.
- Strep Throat: Student may return to school after taking the antibiotic for 24 hours and symptom-free.
- Chicken Pox: Student should stay home until no new lesions and all existing lesions have scabbed over.
- Pink eye: Eye infections must be physician treated before the student returns to school. If an antibiotic is prescribed, the student can return to school 24 hours after treatment has begun and free of eye drainage.
- Open sores on skin: All skin lesions must be covered by a bandage or clothing during the school day. This may include impetigo, ring worm, scabies, and other fungal, bacterial or viral skin infections.
- Generalized skin rash: Any student with an undiagnosed skin rash must be seen by a physician for diagnosis and/or treatment before returning to school with a note from the health care provider.
- Head lice: Your student may return to school only after treatment with lice shampoo.

Children **MUST** be fever-free and no vomiting for **24 hours** without medicine before returning to school.

Parents must bring medications to school and leave them with the nurse/health clerk. Please try to schedule medications to be administered at home. Medications prescribed for administration three times a day should be administered before school, after school, and at bedtime. If medications must be administered at school, please try to schedule that administration during the student's lunch hour.

PRESCRIPTION AND OVER-THE-COUNTER MEDICATIONS must come in the bottle dispensed by the pharmacy. The bottle label must include the following information:

- Student's name
- Prescribing doctor's name
- Name of the drug, dosage, and the time the drug is to be administered
- Prescription date
- Date medication is to be stopped

A Medication Consent form must be completed by the parent /guardian and signed by the Health Care Provider with prescriptive authority and must accompany each medication. Parents should keep copies of this form at home and to take this form to the health care provider's office at each visit.

NO MEDICATION WILL BE ADMINISTERED IF IT COMES IN A BAGGIE, PLAIN BOTTLE, ENVELOPE, ETC.

For the safety of your child, *these policies must be followed strictly*. This is not meant to inconvenience parents, but to ensure the health and well-being of all students.

Students may visit the front office if they are ill, injured, or have a health concern. Students must obtain permission from a teacher to come to the office except in the case of an emergency. Students will be permitted to use the office phone to call home. Only parents are permitted to bring in medications.

SHOT RECORDS - Immunization Requirements

Colorado law requires children in school to have an immunization record on file and to have the required immunizations. Immunizations protect our children from disease. If your child cannot receive immunizations because of medical reasons or because you have a religious or personal reason to exempt your child, the exemption line on the Certificate of Immunization must be signed and the exempted vaccines must be listed. This certificate is available at the school.

Following are the required immunizations for entering Kindergarten:

- 5 DTP
- 4 POLIO
- 2 MMR
- 3 HEPATITIS B
- 2 VARICELLA (or written verification from your doctor if your child has had the disease)

Following are the required immunizations for 1st through 5th grade:

- 4 DTaP
- 3 POLIO
- 1 *MMR
- 3 HEPATITIS B
- 1 *VARICELLA (for 1st, 2nd, 3rd, 4th grade) or written verification from your doctor if your child has had the disease
- *MMR and VARICELLA – 1st shot must be given after 1st birthday

Following are the required immunizations for 6th through 8th grade 5/4 DTP, DTAP, DT

- 1 TDAP
- 4 POLIO
- 2 MMR
- 3 HEPATITIS B
- 2 VARICELLA (or written verification from your doctor if your child has had the disease)

NOTE: First Varicella shot and first MMR shot must be given after 1st birthday. If a student receives their first Varicella shot after the age of 13, a second shot is required within 4 – 8 weeks.

Any health concerns not specifically documented here may fall under the guidance of the School District 49 Health and Wellness policies. Administration reserves the right to refer and follow the School District 49 Policies when deemed appropriate by GPA Administration.

STUDENT LOCKERS (Middle School students only)

Lockers are available for student use to store school supplies and personal items necessary while at school, and remain the property of GPA. Lockers are not to be used to store items which cause, or can be foreseen to cause, an interference with the educational program or which are forbidden by state law or school rules. GPA retains the right to inspect the locker to ensure the locker is being used in accordance with this policy and to eliminate fire or other hazards, maintain sanitary conditions, attempt to locate lost or stolen material and to prevent use of the locker to store prohibited or dangerous materials such as weapons, illegal drugs, alcohol, or tobacco. Locker space with a combination lock is provided to each student within the following guidelines:

- Required lockers will be provided for 6th through 8th grade students. The locker usage fee is included in the student fees assessed for 6th through 8th grade students. Students must sign-up for locker space.
- Only school issued combination padlocks are permitted. There is a \$5.00 non-refundable fee for the required school provided lock for each locker.
- The school assumes NO responsibility for loss or damage to any item in a locker, locked or unlocked.
- Drinks and food items are not to be kept in lockers at any time.
- Students are not allowed to share lockers.
- Students must respect the property/lockers of other students. Marking/writing on lockers is forbidden. Decals and similar materials are not to be placed on the inside/outside of the locker. Hitting or kicking lockers with or without intent to damage is not to be tolerated.
- Students who willfully cause damage to any locker will be suspended for a time determined by Administration. In addition, student's parent/guardian will be responsible for covering the cost of repair or replacement of any damaged locker.
- Lockers should be locked at all times.

Locker Rules

1. Locks: GPA will retain access to student lockers by keeping a master key. Students **may not** use their own locks to prevent access to lockers. Any unauthorized locks will be removed without notice.
2. Inspection of all lockers: An inspection of all lockers **may be** conducted if a school/district official reasonably believes that such an inspection is necessary to prevent or reduce the risk of:
 - a. an interference with school purposes or educational function
 - b. a physical injury or illness to any person
 - c. damage to personal or school property, or
 - d. a violation of state or school rules. Examples of circumstances justifying a general inspection of a number of lockers include
 - i. When the school receives a bomb threat;
 - ii. When evidence of drug or alcohol use creates a reasonable belief of an unusually high level of student use;
 - iii. At mid-term, end of grading period, and before school holidays to check for missing library books, missing materials, lab chemicals, or school equipment;

- iv. Where student violence or threats of violence create a reasonable belief that weapons are stored in the lockers.
3. If a general inspection of a number of lockers is necessary, then all lockers in the defined inspection area will be examined. Students will not necessarily be given the opportunity to be present while a general inspection is being conducted.
4. Involvement of Law Enforcement Officials: Any school/district official may request the assistance of law enforcement officials to assist in inspecting lockers for purposes of enforcing school policies only if such assistance is required:
 - a. to identify substances which may be found in the lockers
 - b. to protect the health and safety of persons or property, such as to aid in the discovery and disarming of bombs, which may be located in the lockers.

Locker Maintenance: Nothing in these rules shall affect members of the custodial staff who, at the direction of the principal, clean out (a) lockers from time to time in accordance with general housekeeping schedule or (b) the locker of the student no longer enrolled in the school. Further, the custodial staff may open a student's locker during any vacation period if they have reason to believe such locker contains rotting, spoiling, or mildewing items such as food, wet clothes, etc.

STUDENT RIGHTS AND SAFEGUARDS

INDIVIDUAL DIGNITY

Each and every person is entitled to be treated with respect and dignity regardless of her/his race, color, ethnicity, religion, gender, social status, disability, or age. The dignity of each individual is best served when all concerned students and school personnel alike, treat one another as they would like to be treated. In particular, sexual harassment and bullying behavior are not tolerated.

FREE FROM DISCRIMINATION

GPA policies provide that students will not be discriminated against or denied the benefits of educational programs/activities based on race, gender, religion, ethnicity, national origin, age, or disability in any GPA program/activity. If any student believes he/she has been discriminated against, notify the principal.

FREE EXPRESSION

Students have a limited right to free expression. This right is found in the First Amendment to the United States Constitution. In the classroom, this means that students may express opinions orally or in writing. Outside of the classroom, at school, on the bus, or at school activities, students also have a limited right of free speech. The limitation on this right to speak is that such speech must not create a material and substantial disruption to the educational process or harm someone's reputation or create a clear and present danger to others. In addition, the First Amendment does not protect speech that leads to unlawful action; nor does it protect obscenities.

FREE ASSOCIATION

Students are generally free to associate with, join, and participate in groups of their own choosing. However, any group, whether school-sponsored or not, that engages in activities which interfere with the rights of others, or which disrupt the educational environment or the educational process, may be subject to disciplinary actions by Administration or appropriate law enforcement agencies.

PEACEFUL ASSEMBLY

The First Amendment to the United States Constitution allows students of a school to peacefully assemble on school grounds. However, such assembly must comply with attendance rules and procedures as well as building regulations.

SEARCH AND SEIZURE

All school property is under the control of the Board and the Principal. A search of school property (including, but not limited to, lockers and vehicles parked on school property) may be made at the discretion of school administration if a reasonable suspicion arises that items considered illegal, disruptive, or a general nuisance to the educational process are being kept at the school. School officials can detain and search a student if there is a reasonable suspicion that a student has stolen items, tobacco products, drugs, narcotics, weapons, explosives, or other dangerous contraband in his possession, and if such possession constitutes a clear and imminent danger to the safety and welfare of the student, other persons, or school property. Further, school officials will notify

parents and the appropriate law enforcement agency of illegal possession of such materials. Under no circumstances will strip searches be conducted at school.

INTERROGATIONS

School administration will make a reasonable attempt to notify parents prior to permitting any law enforcement official to question or detain a student.

WEAPONS AT SCHOOL

Any student carrying, bringing, using or possessing any dangerous or deadly weapon in any school building, on school grounds or at any school sponsored event shall be recommended for expulsion. The following are dangerous weapons: firearms (including air guns and pellet guns – loaded or unloaded, operable or inoperable), firearm facsimiles, fixed blade knife with a, spring-loaded or pocket knife with a blade of more than three inches, any knife used to threaten harm to others, brass knuckles, bludgeons or any other device or substance intended to be used to inflict serious bodily injury or death. Students who inadvertently bring in a dangerous or deadly weapon may not be punished if he/she immediately, and voluntarily, notifies an adult at school and gives up the weapon.

VIDEO DISCLAIMER

Video surveillance shall be used to promote the order, safety and security of students, staff, and property.

SCHOOL RULES THE LOVE AND LOGIC WAY

CORE BELIEFS THAT GUIDE ENFORCEMENT OF SCHOOL RULES AND EXPECTATIONS

Each student is a unique individual with unique personal, social, and educational needs. As a result, every disciplinary situation becomes unique in nature. Consequences for misbehavior provide the best learning value when matched to the unique student and the unique situation. The odds for children learning from their mistakes increase dramatically when children see a reasonable connection between their behavior and the resulting consequences.

The following core beliefs guide GPA's attempts to individualize disciplinary procedures and to help students see reasonable connections between their behavior and the resulting consequences.

LOVE AND LOGIC CORE BELIEFS FOR GRAND PEAK ACADEMY

The following list of core beliefs outlines the professional actions and attitudes of all GPA staff members:

- Every attempt is made to maintain the dignity and self-respect of both student and teacher.
- Students will be guided and expected to solve their problems, or the ones they create, without creating problems for anyone else.
- Students will be given opportunities to make decisions and live with the consequences.
- Misbehavior will be handled with natural or logical consequences whenever possible.
- Misbehavior will be viewed as an opportunity for individual problem solving and preparation for the real world as opposed to a personal attack on school or staff.
- Students are encouraged to request an opportunity to share their side of the situation whenever they have a question about the consequences.
- School problems are handled by the school. Criminal activity will be referred to the authorities.

LOVE AND LOGIC RULES FOR GRAND PEAK ACADEMY

- Treat others with the same respect with which you are treated by the adults in this school.
- Your actions, dress, possessions, etc., may not cause a problem for anyone else. If so, however, you will be asked to solve that problem.
- If you cannot or choose not to solve the problem, appropriate consequences will be imposed by staff members. These consequences will depend upon the situation and the person(s) involved. Staff members will use their best judgment based upon the information they have at the time.
- If a student/parent needs more discussion for a final resolution, a meeting may be called to share information related to the situation. In the event this discussion provides additional information that provides a new perspective, a different resolution may result.

CAMPUS RULES (CLASSROOMS, CAFETERIA, HALLWAYS, AND PLAYGROUND)

- Treat all adults and fellow students with the same respect with which you are treated.
- Your actions may cause a problem for anyone else. If so, you will be asked to solve it.
- If a student cannot solve the problem or chooses not to, the teacher will take action.
- What action the teacher takes will depend upon the situation and the person involved.
- If the teacher does something that appears to be unfair, whisper to the teacher, “I’m not sure that’s fair,” and it will be discussed.

STUDENT FEES

STUDENT FEES

All student fees are non-refundable and are not prorated.

- Student Fees and Middle School Elective Fees- Student fees and Middle School elective fees are published. Student fees must be paid by the end of the first month of school. Records will not be released in transition from school until all fees are paid.
- Parents/guardians of each family must serve at least 20 hours per year, per household in school volunteer service. However, parents who are not able to fulfill such a requirement will be asked to submit a \$200 donation in lieu of their volunteer service.
- Other items as identified by each classroom teacher
- Replacement Planners for lost planners involves a minimal fee.
- Replacement of damaged or lost textbooks – cost to replace book plus 25%

DISCLAIMER

Administration and Grand Peak Academy Board reserve the right to interpret, change and/or modify this handbook as necessary, without prior or written notice, to promote the safe and efficient operation of GPA. This handbook is not all inclusive, but is intended to provide a summary of many guidelines. While every attempt is made to cover many topics, there might be a few that have been omitted inadvertently. If you have questions after reading this handbook, please speak with Administration.
