

Dear Grand Peak Families,

Due to the latest update that we will be starting e-learning beginning March 30 through April 17th with a tentative return on Monday, April 20th, in addition to providing academic resources, we want to offer encouragement to students that find themselves needing additional support. We have developed a way that students can speak to our counselor, Ms. Gilmore beginning March 30th, between the hours of 8am-3pm, Monday through Friday when school is in session online. Below are instructions our teachers will be posting on their google classrooms:

During our E-Learning days beginning March 30th through April 17, Google Hangout individual sessions are available with Ms. Gilmore. They are confidential and are available from **8:00am - 3:00pm Monday through Friday** when school is in session online.

During these hours on E-Learning days please send an email to Ms. Gilmore at lisa.gilmore@grandpeakacademy.org and she will send an invite. Students will be able to join the video meeting online or can call the phone number provided in the email. For after school hours and on weekends, use the counseling resources below:
