

Dear Middle School families,

In light of the latest back-to-school district update, the Middle School team has begun to assemble pick up times for materials that your student(s) needs to start the year online. We are hopeful this is temporary and that we will see your child(ren)'s faces in person the week of September 14th. As of today, the online learning start is in effect until September 11, 2020.

With Streaming School beginning this coming Monday, August 17th, we have created the following blocks of time based on last name and grade in which we are hoping you are able to stop by with your student so that your child is prepared to begin class. We ask that you drive to the back of the school and have your student enter through the gym doors. Your student will need to wear a mask, and they will be given all novels, textbooks, Chromebooks, chargers, syllabi, etc. needed for success. We are also asking for each child to provide a writing sample as well. Be prepared for your student to be in the building for approximately fifteen minutes. In order to keep contact at a minimum, we ask that parents stay in their cars or stand outside. Please do your best to honor the time slot assigned, as this is a major undertaking that requires precision and patience.

Thank you so much for your grace in this time of change and stress. We are here to answer any questions and provide any support you or your child may need. Please email your child's homeroom teacher if you need further assistance or call the school directly at (719)-495-7360.

Sincerely,

The Middle School Team
