

Dear Grand Peak Academy Families,

Due to the extension of the school start date to August 17th, the testing system for our Kinder - 5th-grade students is not ready. As a result, we are canceling/postponing the Kinder - 5th-grade assessment visit days this Wednesday, August 5th, and Thursday, August 6th. Later this week, we will announce how we will handle not only testing but the exchange of school supplies and Streaming School supplies for both our Elementary and Middle School students. We appreciate and thank you for your patience as we all adjust. We are still holding the Virtual Back-to-School Day this Friday, August 7th (please see below for more details). It's a good thing that GPA is a Classical Core Knowledge school because we understand the words of Greek Philosopher Heraclitus, "the only constant in life is change" (translated, of course).

Also, whether your child is attending Streaming School or our in-person learning, you should have heard from your child's teacher for the upcoming school year. If you have not heard from someone, please feel free to reach out to the front office for assistance. You can reach us at 719-495-7360.

As mentioned above, make sure your calendars are marked for this **Friday, August 7th** to attend our Facebook Live Virtual Back to School presentations from each grade-level; times are listed below. Please tune in to hear from your child's teacher! If you are unable to watch at the times below, the presentations will be recorded and posted on our website.

- **Kinder:** 9:30-9:50am
- **1st:** 10:00-10:20am

If you have any questions, please feel free to contact us at 719-495-7360.

Sincerely,

Grand Peak Academy
