Dear Grand Peak Academy Families,

As we look forward to welcoming our 3rd through 5th-grade students back to in-person learning on August 31st, we would like to give all families the opportunity to revisit their Return to Learning choice. Most families have had a full week of experiencing Streaming School and for some of our Kindergarten through 2nd-grade students that have been able to be on campus with us for in-person learning.

If your family's needs have changed and you need to choose a different learning option for your students, we are asking that you please contact our Registrar at [marcia.billingsley@grandpeakacademy.org](mailto:marcia.billingsley@grandpeakacademy.org) **no later than 4:00 pm on Thursday, August 27th**. If space is available, we will consider changes from Streaming School to in-person learning as well as changes from in-person learning to Streaming School in the order that they are received. In some instances, your decision to change your family's learning choice may result in your child being placed with a new teacher. For our Kinder through 5th-grade students, this change will be effective for Monday, August 31st; our 6th through 8th-grade students will be effective when they return. The next opportunity to change the learning choice for your family will be on October 2nd, 2020 (the end of the 1st quarter). If you have any questions, please contact Marcia Billingsley at [marcia.billingsley@grandpeakacademy.org](mailto:marcia.billingsley@grandpeakacademy.org).

Sincerely,

Marcia Billingsley
