Dear D49 Families,

We are pleased to announce School District 49 will provide meals at no cost for all learners through December. This is an official extension of the service that began at the outset of E49 this spring, which is fully supported by the United States Department of Agriculture's National School Lunch and Breakfast Program. D49 will continue to offer grab-and-go meals for families who choose to learn remotely.

We will provide grab-and-go meals from 11:15 a.m. to 12:15 p.m. Monday through Friday at the following locations through Sept. 11 (excluding Sept. 4 and 7):

- Horizon Middle School
- Skyview Middle School
- Falcon High School

Starting Sept. 14, families who choose remote learning will soon have the opportunity to order meals ahead of time at the nutrition services webpage and to select the most convenient pick-up location. Families with students at multiple schools may pick up all meals at the school of your choice. We will not offer meal service Friday, Sept. 4, and Monday, Sept. 7, due to the Labor Day holiday.

Thank you for your time and attention. Please continue to watch our regular channels of communication for updates, and email questions to Monica Deines-Henderson at md-h@d49.org.

Sincerely,

Monica Deines-Henderson
Director of Nutrition Services
