

Dear Grand Peak Academy Families,

After further consideration and receiving new information, we have updated our return to in-person plan. **All K-5 in-person learners will return on January 7, 2021. Middle School will remain in Streaming School, with a return to in-person on January 19, 2021.**

If you choose Streaming School as your 3rd quarter learning option, your child will attend school virtually for the duration of the quarter. This plan is for families who wish to have their children attend school in-person.

Please keep in mind that we are still receiving guidance from El Paso Health and other agencies as we move forward with in-person plans. If any changes need to be made, we will send additional communication during the holiday break. Our goal is to remain in-person and provide the best learning opportunities for our students at GPA.

**We are still standing strong on the following items in order to keep us in-person for the 3rd quarter.**

- Proper mask wearing will be required and should fit the child's face appropriately by covering his/her nose and mouth
- Doing a wellness check before your child arrives at school will play a large part in us keeping students in-person
- If your child displays any of the following symptoms, please keep him/her home:
  - Fever or chills
  - Cough
  - Shortness of breath or difficulty breathing
  - Fatigue
  - Muscle or body aches
  - Headache
  - New loss of taste or smell
  - Sore throat
  - Congestion or runny nose
  - Nausea or vomiting
  - Diarrhea

We are so excited about our new plan to return students sooner! Thank you for your continued support, patience and flexibility as we go through these challenging times together.

Stay well,

Melissa Maldonado, Elementary School Principal
